Legal Requirements

GMO statement

Hereby Aviko declares that none of our products, produced, packed, delivered and sold are genetically modified. None of the ingredients contain any genetically modified organism. No biotechnology or processing agents produced by means of genetechnology have been used during production. The product complies with the European non-GMO regulation (EG) nr. 1829/2003 and 1830/2003.

weight registration e-symbol

Aviko's standard procedure for packing of products/units is based upon average weight (e-symbol). For specific countries with relevant legislation, the procedure for packed products/units is based upon nominal weight.

Heavy metals statement

Aviko declares that all supplied products are conform to the EU-legislation and that they do not exceed the heavy metal tolerances defined by the EU.

Pesticides statement

Aviko declares that the products supplied by Aviko are conform to relevant legislation currently in force in the EU. Pesticides used shall be conform to the EU approved list and not exceed the MRL's, defined by the EU, in the finished material supplied.

Other requirements

Sampling

In case of arbitration a lot is judged by taking a lot sample, per packaging. Normally, max. one lot sample is taken per two pallets. One lot consists of several pallets of at least 2 different shift dates. The lot samples are being mixed to one compilation sample. From this compilation sample a sample of 1 kg is taken to judge the quality.

Quality Management Systems

The production location, where this article is being produced, has a quality management system that complies to and is certified for:

- BRC
- IFS

Disclaimer

This specification is based on the moving average, with the help of methods of analysis from Aviko laboratories.

Signature

Signature General Quality Manager Aviko-group

Ing. T. W. M. Idink.

A handwritten signature in black ink, appearing to read 'T. W. M. Idink', enclosed within a faint, light-colored rectangular border.
